

August 10, 2015

Hon. Shoshana M. Grove, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Grove:

In connection with the Commission's rules for Periodic Reports, 39 C.F.R. § 3050, I have enclosed the following:

USPS Preliminary Financial Information (unaudited), June, 2015.

I have also enclosed computer disks containing an electronic version of this document.

Please note that the May report reflects a change to the Postal Service's Integrated Financial Plan (IFP). The modification to the IFP incorporates reduced expenses from lower rates paid to newly hired career bargaining-unit employees totaling approximately \$675 million. After reflecting these savings, the controllable expenses in the plan for Fiscal Year 2015 are \$68.5B, the controllable income in the plan is \$1.2B, and the net income in the plan is (\$5.4B). The month of May and year-to-date May plans reflect pro rata portions of the annual figures.

If you have any questions, please call.

Sincerely,

A handwritten signature in cursive script that reads "Daniel J. Foucheaux, Jr.".
